

Jeffrey Lipson

Technology Research Associates

Jeffrey.lipson@traholdings.com

Jeffrey Lipson is an experienced entrepreneur, a Reserve Marine Colonel with over 22 years of military service and an avid technologist. After merging his managed services IT firm, SaberSource, with Lantium, Jeff went on to serve an active duty tour with the Marines at the National Security Agency. A career intelligence and communications officer, Jeff is a recognized subject matter expert in the fields of information assurance and cyber security and has a Master's Degree from Pennsylvania State University in Information Technology. Jeff is equally active in philanthropy by serving on the board of directors for the Blue and White Scholarship Foundation, a member of the Philadelphia Committee for the Marine Corps Scholarship Foundation, and actively supports the National Wounded Warrior Cyber Academy. Jeff is the Managing Director of TRA.
