

Shari Coltoff

Attorney

Philadelphia

scoltoff@cozen.com | (215) 665-4161

Shari focuses her practice on e-discovery and data management issues. Shari also handles matters including business, estate, and guardianship and child support issues.

Shari is an experienced attorney who has managed, trained, supervised, and performed quality control for document review teams. Prior to joining the firm, she has served as an attorney and consultant assisting small business owners with running day-to-day business operations including employee and legal issues and as an assistant attorney general in the state of Delaware. The bulk of her experience is discovery review with respect to multi-district pharmaceutical litigation, government investigations and large-scale antitrust litigation.

Shari earned her dual bachelor's degree from Syracuse University in social work and psychology. Shari earned her law degree from Temple University School of Law.
