Kenneth M. Hildebrandt

Chief Analytics Officer

Philadelphia

khildebrandt@cozen.com | (215) 665-4640

Kenneth joined the Philadelphia office in 2010, and is the firm's chief analytics officer. He is responsible for analyzing the firm's strategic acquisitions. Kenneth also works with Public Strategies to help manage the practice, as well as working on Facility issues.

Kenneth received his Bachelor of Arts in economics from Rutgers University in 1995, and dual master certificates in both law firm management, and leadership in professional service firms from George Washington University in 2005 and 2006, respectively.
