Blake Rutherford, of Cozen O'Connor's Public Strategies, will speak at the 2017 Direct Selling Legal & Compliance Summit in a session titled "The View from Washington." Blake will speak with Jonathon Gelfand, chief legal officer at Beachbody LLC, Spencer Reese, partner at Reese Poyfair Richards PLLC, and Larry Steinburg, shareholder at Buchalter Nemer. Policies are created and regulations enforced by government agencies in order to protect consumers and workers, which has a direct impact on the direct selling industry. This session will discuss what effect the new administration might have on this industry and the regulatory direction in which it is headed. Click [here](#) for more information.
