

Claims Made and Professional Liability Insurance Coverage

Location

100 Penn Square East
10th Floor, Suite 1010
Philadelphia, PA

Date & Time

Start Date: 05/15/2014

 [Download Calendar Appointment](#)

Attend this seminar to discover the complexities of the professional liability policy and learn how to avoid malpractice claims by understanding coverage and ethical obligations. You will also learn the difference between general and professional liability. How to report the claim by the insured and what the differences are between the reporting and notice requirements, will covered as well. The presentation will also be simulcast to two other locations.
