Ray DeLuca and Fred Jacoby, of Cozen O'Connor's Construction Law group, will speak and moderate at the ABA's Regional CLE Workshop: Handling a Construction Failure Case event on September 15. The program will focus on a building collapse during construction as the main model for discussion. You will learn how to secure the site and preserve evidence, deal with issues that arise with a highly publicized case, and analyze causation.

Program titles include:

- Securing the Site and Preserving the Evidence/Dealing With OSHA and Other Governmental Agencies
- Liability and Defense Issues from the Perspective of Designers, Contractors, Subcontractors and Suppliers
- Analyzing Causation, Proposing a Fix, Economic Waste, Betterment and Related Issues
