

IIABKC & PLUS Annual Meeting & Continuing Education Event

Location

Washington Athletic Club, Seattle

Date & Time

Start Date: 12/03/2014

Shauna Martin Ehlert of the Global Insurance Department is presenting on a panel titled "EPLI Update: From BYOD to Washington Specific Issues." This event is presented by **PLUS** and **IIABCK**.

EPLI Update: From BYOD to Washington Specific Issues –

A panel of local EPL coverage and claims attorneys will raise our awareness of issues concerning employers and employees when they bring their own device to work in order to give participants a greater understanding of risks and claims in the electronic age. The panel will then switch its focus to the practical impact of Washington specific issues, including mandatory sick leave, mandatory \$15 an hour minimum wage and the legalization of marijuana.
