

CAT Losses: Recovery Opportunities and Theories

Location

Webinar

Date & Time

Start Date: 11/15/2017

Start Time: 11:30 a.m. - 12:30 p.m. ET

Peter Rossi and Thaddeus Baria, of Cozen O'Connor's [Subrogation and Recovery](#) department will host a webinar titled, "CAT Losses: Recovery Opportunities and Theories." The frequency and severity of catastrophic losses is trending upwards and warranting a fresh look at subrogation and recovery opportunities. This program focuses on identifying recovery theories and investigating and developing those theories from the time of a loss through the recovery claim process. The presenters will also address raised defenses to cat-loss recovery claims including the Act of God defense and governmental immunity.

The presenters will cover:

- Evaluating subrogation potential for CAT Losses
- Potential targets for CAT loss recoveries
- Recovery theories and hypotheticals
