

# Webinar: Understanding Common Water Losses

## Location

Webinar

## Date & Time

Start Date:

Philip Carroll and Joseph Rich, of Cozen O'Connor's **Subrogation and Recovery** department, will present a webinar titled, "Understanding Common Water Losses." This presentation will provide instructions and background for beginner to advanced recovery professionals and claim adjusters handling small to large water loss claims, such as sprinkler pipe and water line failures, separation of piping joints, and failure of piping and fittings due to dezincification and stress corrosion. The presenters will educate attendees on the common failure scenarios for these losses and the types of forensic investigations required to determine the root cause of the loss.

### The presenters will cover:

- CPVC Sprinkler Failures
- Common Water Damage Failures
- ProPress Fitting Failures
- Dezincification and Street Corrosion
