Brendan Winslow-Nason and **Jackie Jensen** of the Global **Insurance** Department will present this one hour webinar on indemnity obligations arising out of construction defect cases. They will discuss how to determine what is covered vs. what is not covered in complex construction defect cases. This presentation is intended for senior claims handlers and attorneys. This is an advanced presentation and it is presumed that the audience has a deep understanding of the issues. The goal of this presentation is to learn how to methodically decipher covered from non-covered damages in complex construction defect cases. For more information, [click here](#).
