Susan Eisenberg, a member of Cozen O'Connor's **Labor & Employment** department, will be presenting at PLI's Wage & Hour Litigation Compliance conference. Wage and hour litigation remains steady in the courts, and is on the rise in arbitration. Attorneys, as well as human resources and compliance personnel must keep up to date on the latest legal developments, be informed about DOL initiatives and regulations, have knowledge of the nuances of paying employees correctly, and understand the pros and cons of arbitration agreements and class action waivers.

Topics include:

- Proper classification of workers – employee vs. independent contractors
- Tips, meals and lodging, breaks
- On call and waiting time
- Deductions from wages
- Calculating the overtime rate correctly
- Tracking all time worked, determining pay for unrecorded time, and rounding policies
