

# 2017 Association of Corporate Counsel Annual Meeting

## Location

1025 Connecticut Ave. NW  
Suite 200  
Washington, DC 20036 USA

## Date & Time

Start Date: 10/15/2017  
End Date: 10/18/2017

Lori Kalani and Jerry Kilgore, both members of Cozen O'Connor's **State Attorneys General** practice, will be speaking at this event in Washington, D.C. The panel they are speaking on is called "The Nuts and Bolts of a Successful Response to a State Attorney General Inquiry in the U.S." Although managing government investigations is often part of the in-house counsel role, successfully tackling a subpoena from a state AG in the United States presents special considerations. The approach can't simply mirror a response to a federal regulator, as a request from a state AG — much less a multi-state group of state AGs — includes varied and nuanced elements that must be carefully treated and considered.

This session will examine how in-house counsel can address complex and potentially conflicting state laws, including nuances in consumer protection and state Freedom of Information Act laws. It will also address strategic and policy-related aspects unique to state AGs, and provide practical advice for corporate counsel who find themselves confronted by a multi-state AG investigation. Other panelists include Jeff Blum, SVP and Deputy General Counsel of the DISH Network, and Lawrence Drexler, General Counsel and Chief Privacy Officer of Barclays Bank Delaware.
