Michael Handler, of Cozen O'Connor's Global **Insurance** department, will present at the 8th Annual Meeting and CLE/CEU Presentation for the Professional Liability Defense Federation. Michael will speak on a panel on the topic "Professional Liability Bad Faith Trends Update." The presentation will focus on bad faith challenges particular to medical and legal malpractice claims from the perspective of two claims professionals and the issues facing coverage and defense counsel. Consent judgments and assignment of bad faith claims against insurers with agreements not to execute will be addressed. The panel will also address denial of a claim by an insurer where no defense is offered and the potential consequences of that decision. Click [here](#) for more information.
