Ryan Blaney, a member of Cozen O'Connor's **Health Care** practice group and the **Privacy, Data & Cybersecurity** industry team, will be speaking at ACI's Data Breach & Privacy Litigation conference. The presentation is titled, "Global Impact of Data Breaches: Finalization of General Data Protection Regulation Recently Passed by the E.U., Right to be Forgotten Law in Europe, Compliance with E.U. Law, E.U./U.S. Privacy Shield and Managing Cross-Border Information." Ryan and panelists from Microsoft, Northrop Grumman Corporation and AIG will discuss the recently passed general data protection regulation that will take effect in two years. The new regulation expands the territorial scope and includes stricter obligations for European Union member states. The presentation will also include ways to manage cross border of information and compliance with Europe's Right to be Forgotten law.
