Ryan Blaney, a member of Cozen O'Connor's **Health Care** practice group, will be speaking at the American Conference Institute FDA Boot Camp in Boston. Ryan will be presenting on "Drugs and Biologics: Labeling." He will cover the following:

- Labeling overview: key regulatory requirements, information, and contents
- Review process for labeling
- Influence of final labeling on the scope of post-market activities
- Amending labeling post-marketing
- Using labeling as a defense in products litigation
