**Andrew Tobin** and **Judith Perkins** of the Global **Insurance** Department present this one-hour Cozen O'Connor webinar. This webinar will provide attendees with an overview of the key provisions of England and Wales' Insurance Act 2015, which will come into force in August 2016. The Act changes 300 years of established law, and will fundamentally alter the way insurance and reinsurance is underwritten and claims are assessed.

Attendees will include International underwriters and claims handlers who transact or dispute insurance and/or reinsurance contracts subject to English Law.
