Don't miss out on this half-day seminar designed to help you deal with the unique environmental challenges in a world going "green." Whatever your industry focus, come learn how to navigate the complexities of global warming, manage risks, optimize opportunities and gain competitive advantages for your business.

Our featured speaker is New York Times best-selling author Fred Krupp, President of the Environmental Defense Fund. Each attendee will receive a complimentary copy of his book *Earth: The Sequel—The Race to Reinvent Energy and Stop Global Warming*.

Other topics to include:

- Governmental Response to Climate Change
- Business Opportunities of Climate Change
- Climate Change and Risk Management
