National Subrogation Services

Founded in 2000, NSS is one of the largest, most experienced and successful subrogation and recovery firms in the country. Utilizing cutting edge technology and refined analytics, NSS routinely surpasses industry benchmarks for subrogation recognition and recoveries. NSS has learned from our decades in the field that subrogation cannot be treated as an afterthought to the adjustment process. To realize the full benefits of subrogation—increased revenue, decreased costs and better customer relationships—insurers must establish efficient operations with the assistance of dedicated recovery analysts.
