

# Mark Alderman Discusses Allegations Against Governor McAuliffe

**Wednesday, May 25, 2016**

Mark Alderman, chairman of Cozen O'Connor Public Strategies, discusses allegations against Virginia Governor Terry McAuliffe on One American News Network. Mark says, "Where there's smoke, there's smoke. All we know, and we barely know this, is that there's an investigation. This was a leak from an anonymous source ... all we know is there's an investigation in which Governor McAuliffe has not been contacted, the Chinese contributor has not been contacted, and the Clinton Foundation has not been contacted. The lawyer for the campaign is Marc Elias, I know Marc. Marc is the dean of Washington Election Lawyers. He says the contribution is completely lawful and that is good enough for me."
