

# Simeon Brier Highlighted in Life Publications' Father's Day Issue

**Monday, June 10, 2013**

In a Father's Day themed article, *Life Publications* highlights Simeon Brier of the firm's Miami and West Palm Beach offices among their chosen "Power Pops." The individuals included were selected from multiple nominations of local men who exemplified *Life Publications'* definition of a Power Pop, "...a man who has the drive and wherewithal to pursue his passion and become successful in his profession and in life, without sacrificing being there for his family."
