

Christopher Hennessy, '91, Goes the Distance to Serve Others

Monday, December 9, 2019

Chris Hennessy was profiled by his alma mater, Northern Illinois University, in an alumni feature. Hennessy believes that the same principles drive all he does, from his work at Cozen O'Connor to his role as President of the Chicago Area Runners Association. "Like with running, you can run alone or you can run with other people," he reflected. "I choose to run with other people. I choose to go through life alongside other people because, to me, the fulfillment I get in seeing somebody accomplish their goal is almost more valuable than accomplishing it myself."
