

Michael Klein Introduces Victoria Binetti at the Energy, Environmental and Public Utility Symposium

Tuesday, June 17, 2014

Michael Klein, of the Energy, Environmental & Public Utility Group, was recently involved with the Practice Group's symposium: "Preventing Hazardous Material Catastrophes in a Changing World." Michael introduced Victoria Binetti, Chief, U.S. Environmental Protection Agency, Drinking Water, Region 3. Michael's introduction can be seen in the video below.
