

Seattle

Cozen O'Connor opened its Seattle office in 1985. The office is located in the central business district of Seattle.

The attorneys in our Northwest regional office represent clients in matters within all jurisdictions of the Western United States, including Washington, California, Oregon, Idaho, Montana, Wyoming, North and South Dakota, Colorado, Alaska, and Hawaii.

The attorneys in the Seattle office practice in the following areas: maritime law; casualty and property defense and product liability; appellate practice; intellectual property; labor and employment; commercial litigation; construction law; environmental law; health care; labor and employment; and insurance litigation, including: subrogation, bad faith, reinsurance; professional liability; directors' and officers' liability; and toxic torts.
