

Cozen O'Connor Presents Trends In Litigation Seminar

Monday, November 17, 2008

Cozen O'Connor recently presented its Emerging Issues and Current Trends in Litigation seminar in Chicago. The half-day program was comprised of a series of lectures by firm attorneys on the latest litigation topics, including:

Risky Business: The Basics on Indemnity Provisions

Emerging Lawsuits: Corrugated Stainless Steel Tubing

New Risks: Cyber Perils, Privacy Issues

Emerging Coverage Issues: Nationwide and Recent Developments in Illinois Law

Dangerous and Defective Food and Toys from Foreign Countries: Are American Companies Facing Liability for the Negligence of Others?
