

# Peter Rossi Published in Claims Management Magazine

**Monday, October 14, 2013**

Peter Rossi was published in the October issue of Claims Management Magazine in an article titled "Takings and the Fifth Is Inverse Condemnation a Solution for Subrogated Carriers When Government Has a Role in Flooding?" Peter discusses the alternative recovery approach of inverse condemnation for subrogated carriers that a recent U.S. Supreme Court case may possibly provide. To read more, [click here](#).
