Friday, March 8, 2019

Jennifer Brandt sat down with Fox 29 Good Day Philadelphia to discuss the New Jersey man who won the \$273 Mega Millions jackpot and whether or not his ex-wife has any claim to the money. Jennifer discussed what could be next for Michael Weirsky, who has been supported by his ex-wife for the last 15 years, after his lottery win. Though Michael and his wife only finalized their divorce five months ago, Jennifer emphasized that his ex-wife is entitled to none of his winnings.
