About Benchmark

Now in its 11th year of publication, Benchmark exclusively covers the litigation and disputes market in North America, covering the US, Canada, and Mexico. The 2018 inaugural edition of Benchmark Litigation Labor & Employment went to press in September. The Benchmark team set out to find the best and brightest law firms and partners who stand out in their labor and employment practices throughout the US. Over several months of extensive research, the editorial team conducted interviews with individuals to learn about their recent work and discuss their feedback on the current labor and employment market. The team also distributed multiple surveys – one for firms to highlight recent casework, one for individual lawyers, and another for clients to provide their feedback.
