

Richard Mason Quoted in Law360 on the Indalex Ruling

Thursday, September 25, 2014

Richard Mason of the Global Insurance Department was quoted in Law360's article "Indalex Ruling Threatens Insurers With Greater Tort Exposure." "The Pennsylvania Supreme Court's ruling not to review a decision finding that general liability policies can cover property damage and personal injury claims caused by a policyholder's defective products could significantly expand the insurance industry's duty to defend product liability suits, attorneys representing policyholders say."
